

MARU SMART RAJKOT – Suggestions for Strengthening the Smart City Proposal

Dear Citizens of Rajkot,

Rajkot Municipal Corporation (RMC) is all set to re-invigorate the Smart City proposal preparation process as part of Round II of the Smart City Mission. The City missed the first list by a whisker and is poised to ensure success this time around. RMC is currently working closely with the citizens to strengthen its smart city proposal. The participation of citizens is absolutely crucial in ensuring the success of our city.

We request you for your suggestion and inputs for improvement of our city's proposal submitted in the Round I. Your views on smart solutions and city priorities would help us to further innovate and strengthen the proposal for the Round II. Kindly give suggestions for improvement of services within the city with focus on physical and social infrastructure plans. The Broad spectrum of service areas is provided below:

- Adequate water supply including waste water recycling and storm water reuse,
- Assured electricity supply including solar power,
- Sanitation, including solid waste management,
- Efficient urban mobility and public transport,
- Affordable Housing, especially for poor,
- Robust IT connectivity and digitalization,
- Good Governance, especially e-Governance and citizen participation,
- Sustainable environment,
- Ensuring safety of citizens, especially women and elderly, and
- Health and Education.

Let's Participate Let's make Rajkot a SMART city

Pls give your comments here, RMC website and visit the mygov page <https://mygov.in/group-issue/maru-smart-rajkot-%E2%80%93-suggestions-strengthening-smart-city-proposal/>
